

The Pharmacy Graduate Student Association is the group of graduate students in the Faculty of Pharmacy and Pharmaceutical Sciences. The PGSA has eight executives and six representatives who represents graduate student in various committees and events in the Faculty as well as in the University. PGSA organizes various seminars and events to improve the University experience of our graduate students.

The objective of the PGSA is to enhance the professional atmosphere and the social aspects of student life, to promote an active relationship between faculty members and staff and to provide a medium of communication both between its members and with external groups.

1. PGSA workshop for scholarship application. Mr. Kirk provided valuable information for scholarship opportunity and applications.

2. PGSA BBQ event. Graduate students serving tasty burgers on a nice sunny day in early Fall.

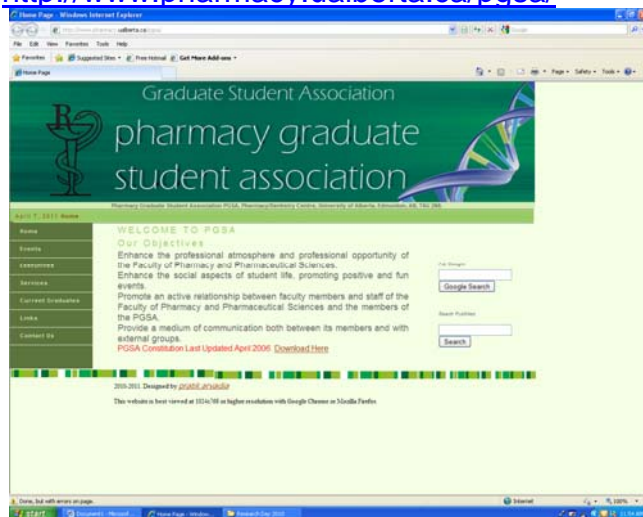

3. Graduate students presenting their research on Faculty research and development day. The PGSA provides an award for the best poster.

4. The PGSA website was released in Fall 2010.
